

Directions to Coral Sub

Unless you are coming from Golf del Sur or Amarilla Golf the first thing to do is to get on to the motorway, (autopista) known as the TF1 (from any direction between Los Gigantes and Los Cristianos, this direction will also be towards the airport). You are looking for junction (salida) 26, signposted to Las Galletas. Turn off at junction 26. At the roundabout, follow signs for Guaza and Las Galletas in the direction of the coast. Stay on this road for 2.2km and you come to a roundabout where you will turn left (not straight ahead which is signed for Las Galletas), and follow this road for 3km past banana plantations. You then arrive at a cross-roads; turn right and follow the road for 2.1km. You will pass a Shell petrol station on the left. Take the next left onto “Avenida José Antonio Tavio” and after 450 meters turn (first) right onto Calle Diana and after 300 meters the road bends sharply to the left. Don’t go left but take the right turn (you will see a phone kiosk on the corner). Follow this road for 300 meters and you arrive in a large car park. The entrance to Coral Sub is in the far left hand corner.

If you are coming from **Golf del Sur or Amarilla Golf** don’t take the TF1 Motorway. Head to Las Chafiras and at the roundabout turn left which is signposted Las Galletas. After 1.5km turn left, signposted Las Galletas. Stay on this road for 5.6 km. You will pass through the town of Guargacho and at 3.4km you will pass a BP petrol station. 2 km later you will see a Shell petrol station on the left. Take the next left onto “Avenida José Antonio Tavio” and after 450 meters turn (first) right onto Calle Diana and after 300 meters the road bends sharply to the left. Don’t go left but take the right turn (you will see a phone kiosk on the corner). Follow this road for 300 meters and you arrive in a large car park. The entrance to Coral Sub is in the far left hand corner.
